## STANDARD-DUTY WOODEN UTILITY CART MODEL GC-20W

### Owner's Manual and Parts List

#### SAVE THIS MANUAL

You will need this Manual for the Safety Instructions, Assembly Instructions and Parts List. Put it in a safe, dry place for future reference.

Additional Information/Link to PDF Copy of this Manual:

## MAKING THE JOB EASIER

Work at a workbench, hip-high table, or from sawhorses with plank or plywood bridge.

- Read these Instructions all the way through before picking up the first tool. It's much easier to assemble the Cart if you understand all of the steps.
- Before you start, you have the option of choosing which side of the four Wooden Panels you want to have on the Outside. After you start, you will have to stay with your selection.
- In the Instructions, we will refer to Inside (where the load goes) and Outside, Left, Right, Top and Bottom, and Front and Rear. Left and Right, and Front and Rear are from the User's Position at the Handle. From that position, the User is at the Rear of the Cart.
- You'll be using Nuts and Bolts throughout. Tools Required: Pliers, Screwdriver and Wrench.
- To protect the wood against the elements, you may want to add a coat of varnish, paint or polyurethane before beginning assembly.
- There are four pieces of wood used in the Cart. The largest is the Bottom, then there are two Side Panels and a Front Panel. Check the parts against the **Parts List**, if anything is missing, tell us and we'll replace it at no charge. You may, if you wish, purchase your own replacement items but we have no procedure to reimburse you for such a purchase.
- We suggest that you not completely tighten Nuts and Bolts until you finish a section. We'll remind you when to tighten them.

## SAFETY WARNINGS AND CAUTIONS

**Read all instructions before assembling this Cart!**

1. Keep work area clean. Cluttered areas invite injuries.
2. Keep children away. While the Cart is being assembled, keep children away from the loose parts.
3. Use eye protection. Always wear ANSI approved safety goggles.
4. Don't overreach. Keep proper footing and balance at all times.
5. **Replacement parts and accessories:** When servicing, use only identical replacement parts. Only use accessories intended for use with this Cart.
6. Do not assemble or use Cart if under the influence of alcohol or drugs. Read warning labels on prescriptions to determine if your judgment or reflexes are impaired while taking drugs. If there is any doubt, do not attempt to assemble or use the Cart.

# ASSEMBLY INSTRUCTIONS

When assembling your Cart, place the heads of all Bolts to the Inside and Hex Nuts with Flat Washers to the Outside

## **FIRST** – Attach the Wheels (See Figure 1)

1. Put the L-Shaped Frames (2) on floor or workbench.
2. Insert the Axle (3) through the holes on L-Shaped Frames (2).
3. Slide Wheels (1) onto Axle (3), and then lock the Wheels (1) with Washer (4) and Lock Pin (5).

Figure 1

**SECOND** – Attach Wood Floor Bed (See Figure 2)

1. Put Wood Floor Bed (6) onto L-Shaped Frame (2).
2. Attach Wood Floor Bed (6), L-Shaped Frame (2) and Support Frame (7) together, tightening with Bolt (8) and (16), Washer (17) and Lock Nut (18).
3. Assemble Rear Connect Bar (9) on L-Shaped Frame (2) with Lock Nut (18).

Figure 2

**THIRD** – Attach Panels (See Figure 3)

1. Attach Side Panel (11) and L-Shaped Frame (2), tightening with Bolt (16), Washer (17) and Lock Nut (18).
2. Attach Side Panel (11), L-Shaped Frame (2) and Support Leg (13), tightening with Bolt (10) and (12), Washer (17) and Lock Nut (18).
3. Slide Front Panel (14) into the Cart.

Figure 3

**FINALLY** – Attach Handle (See Figure 4 & Figure 5)

1. Assemble Handle (15) on Side Panel (11), using with Bolt (12), Washer (17) and Lock Nut (18) to tighten.
2. Tighten all Bolts, Washers and Nuts. Cart is ready for use.
