LOG CADDY – MODEL LC-200

Owner's Manual and Parts List

SAVE THIS MANUAL

You will need this manual for the safety instructions, assembly instructions and parts list. Put it in a safe, dry place for future reference.

WARNING

- Read instructions and Warnings before set up and use.
- Check to insure product is not damaged prior to use. If product is damaged, do not use.
- Do not exceed cart's weight capacity of 200 lb.
- Only use product as intended. Do not attempt to jump or stand on product.
- Not for use by unsupervised children.

LC-200 LOG CADDY

Assembly

Tools Required: (1) Straight Tip Screwdriver and (1) 7/16" Open End Wrench. A 7/16" Socket and Ratchet would speed up assembly.

Notes:

- Please read and understand these Instructions before assembling your Log Cart.
- Check that you have all components.
- Do not tighten fasteners until all parts are assembled.

Instructions:

1. Place Tube Caps (7) over the end of Side Tubes (3) (the end with two holes).
2. Take one Side Tube (3) and Front Support Tube (2), align the two holes on one side and secure with Screws (12) and Nuts (11). Now take other Side Tube and repeat above procedure.

3. Next align the holes in Side Tubes (3) and holes in Side Support & Axle Assembly (4). Secure with Screws (13) and Nuts (11).
4. Now slide Handle (1) over both Side Tubes at the same time and align the holes in each. Secure with Screws (13) and Nuts (11).
5. At this time tighten all fasteners.
6. Now slide Spacers (6), Washers (9), and Wheel (5) over each side of axle and secure with Hair Pin (10) in axle hole.
7. Now slide Tube Caps (8) over both ends of Front Support Tube (2). Assembly is complete.

CAUTION! Do not haul people or pets with unit.

INSTRUCTIONS FOR ORDERING PARTS

(Minimum Parts Order Charge \$20.00)

1. Address all parts orders or correspondence regarding customer service to one of the following:

Parts Dept.	Phone: (937) 337-3641
Mid West Products, Inc.	Fax: (937) 337-0755
P.O. Box 301	E-mail: Parts@Mid-West-Products-Inc.com
Phillipsburg, OH 45354	Website: www.Mid-West-Products-Inc.com
2. Write your name and address plainly (print or type).
3. Explain where and how to ship.
4. Give model number of unit.
5. Give part number from parts list, as well as a description, including color, of the part and the quantity you need.
6. Inspect all shipments you receive. If any parts are damaged or missing, file a claim with the carrier before accepting.
7. If you are returning parts, be sure to include WITH THE SHIPMENT a list of the parts with your name and address.
8. All orders for repair and replacement parts will be shipped when paid with Master Card, Visa, or personal check/money order. Prices subject to change without notice.

GUARANTEE

The merchandise you have purchased from us has been carefully engineered and manufactured under Mid West Products rigid quality standards and should give you satisfactory, dependable operation. However, like all mechanical merchandise, it may occasionally require adjustment or maintenance. Should you need technical assistance, please contact MID WEST PRODUCTS.
